Effectively Capture, Manage, and Archive Many Types of Documents

Model Number: DS-600

Powerful Scanning Package

The DS-600 comes with everything you need to get started, including:

Presto!® PageManager® 9 (Windows® and Mac®)

- Scan and organize digitized files... View, edit, e-mail or save files as searchable PDF, HTML, RTF, or TXT files.

- Quickly merge multiple file formats from various folders into a single, multi-page PDF.
- Define a folder as a document inbox for e-mail attachments so you can easily monitor all incoming files.
- Scan to E-mail, Scan to Folder, Scan to OCR, Scan to PDF, or any designated application.

Also Includes:

DSmobileSCAN II (Windows® only)

Allows scanned documents to be saved as Adobe® Acrobat® (PDF), JPEG and TIFF file formats.

TWAIN and WIA Drivers

Use to control all details of the scanner settings. Compatible with any application that uses TWAIN/WIA devices support.

Key Features:

Compact Design

Lightweight and compact, the DS-600 is a great solution for mobile professionals or desks with limited space.

Versatile

Scan business cards, photos, and documents – up to 8.5" x 14" in size. Easily scan invoices, insurance forms, contracts or receipts to your computer as PDF, JPG or TIFF files for saving or e-mailing.

USB Powered

The USB interface conveniently draws power directly from your computer and comes with a detachable USB cable. No batteries or wall outlet required.

One Touch Scanning

One touch of the button will launch your choice of compatible scanning programs. Make a preferred scanning program your default to save time when scanning.
